Litchfield Fair ~ 1858-2025

The Litchfield Agricultural Society was organized in 1857 and held its first agricultural exhibition the following year. In the early years, Litchfield Fair was held in the yard of what was formally known as the Litchfield Town House. After a while the fair moved to the old “trotting park” which is now known as the Litchfield Fairgrounds. In 1904, after a period in which the annual exhibits declined, it was reorganized as the Litchfield Farmers’ Club, and that name continues to the present time. The Litchfield Fairgrounds currently consists of fifteen acres and nineteen buildings.

The annual Litchfield Fair is always held the Friday, Saturday and Sunday after Labor Day. It is estimated that on average approximately 16,000 fairgoers attend the fair each year enjoying our town’s agricultural fair.

There is an excellent Exhibition Hall, consisting of arts and crafts, fancy work, flowers, fruits and vegetables, as well as cooked and canned foods. Also, there is a very large 4-H Exhibition Hall. Litchfield Fair has received statewide recognition for its superior Exhibition Hall and 4-H Exhibition Hall. In addition to those, the fair features: Show Oxen and Steers, Dairy Cattle and Beef Cattle, Draft Horse Pulling, Ox Pulling, a Powder Puff Ox Pull, a Draft Horse and Pony Show, a Youth Horse Show and Maine Barrel Racer’s Horse show too.

This year the Litchfield Fair features the 9th annual Demolition Derby and the very popular Wheeler’s Wee Farmers, a children’s interactive agricultural education display that has been presented multiple awards from MAAF. We have a Sensory Garden that allows Fairgoers to take a moment away from the bustle of the Fair, to appreciate all the smells, tastes, sounds, sights and feelings that our garden can offer. Other attractions include a Baby Show, a Kiddie Pedal Tractor Event, Pig Scrambles, Pig Racing, an Antique Car Parade, several FREE bicycle contests for kids ages 7 to 14, a Red Neck Truck Pull, a Museum with a working Smithy and much more.

There are two areas for commercial exhibits, one is inside Expo II, plus several locations outside on the grounds in high traffic areas. Last, but certainly not least, is an excellent midway put on by Miller Amusements.

Letter from the President

Hello Exhibitors, Contestants and Fair goers:

I would like to welcome everyone to the 2025 “Litchfield Fair”. Last year’s fair was very successful with decent weather and good attendance each day. Our goal this year is to be equally successful and continue with the agricultural education, variety of events, and entertainment that “Litchfield Fair” has been known for almost 170 years.

Last fall The “Litchfield Farmers’ Club”, who actually operate the fair, made the decision to replace two of the club’s older buildings with a single new one in 2025. The project goal is to construct the new building exterior during the 2025 season and possibly finish the interior in the following years.

This year, as was the case last year, we continue to be all challenged with increased costs due to the effects of continuing inflation, and political decisions. The additional cost that we are all faced with also presents difficult challenges for the non-profit “Farmer’s Club”, especially when a substantial amount of building materials are needed.

Be assured, the Officers and Directors, along with input from many of the members and volunteers are continuing to do their best to provide a fair that everyone has come to expect for many years while keeping the costs to all fair goers as minimal as possible. One thing that doesn’t seem to change from year to year are the number of times that I am told that “Litchfield Fair” is one of the few fairs that they attend and continues to be a favorite for many. We certainly aren’t the biggest, but for a small non- parimutuel fair we have many events taking place at all times.

Look forward to seeing everyone this year, and enjoy the weekend.

Sincerely,

E. Charles Smith

(President)

The 2025 Litchfield Fair Book is proudly dedicated to:

Rayna Leibowitz and Donald Ridley

RAYNA LEIBOWITZ

Rayna Leibowitz has been a member of the Litchfield Farmers' Club since 1956. She started "working" at the fair as soon as she could read and write helping her mother in the Exhibition Hall.

Rayna is a fourth generation Director of Litchfield Fair. She and her mother, Muriel Bonin, were Superintendents of the Exhibition Hall for many years. One of her most recent valuable contributions was developing the Safety Program for the fair.

In 2006 Rayna was the creator of our Litchfield Fair Farm and Home Museum which is dedicated to her mother Muriel. During the fair Rayna can be found in the museum cooking over a wood stove. She and her crew make applesauce and have patrons make butter samples throughout the Fair weekend. On Saturdays you can smell the fragrance of baked beans from "Nana Berry's Kitchen" cooked right in the Museum on her wood stove with delicious samples given out later in the day. When it's cold or rainy patrons flock to the nice warm, welcoming museum that Rayna was an instrumental force in developing. Ask her a question and she has not only the answer but a wonderful story to go with it. She is also responsible for the creation of the blacksmith shop adjacent to the museum where a

working smithy demonstrates the process of creating tools using a forge. Rayna has been a Fair Director for many, many years.

On a personal note, (on a mystery date in September) Rayna will have been married to her husband, Phil, for 60 years. Congratulations Rayna and Phil! Together they have a daughter Amy, a son in law, Bill and 2 grandchildren.

Rayna is an invaluable member of our town. She attends the Litchfield Plains Baptist Church, and is a member of the Cemetery Association. She had a dream to open a new Food Bank in Litchfield. So she did! She supervised every step of that process, working many long hours. She has been a long time trustee of the Litchfield Academy and helped to open a thrift shop upstairs in the Academy. Many generations of her family have been active residents of Litchfield. She has a great grasp of Litchfield's history, past and present, and is a vital member of the Historical Society. She has served as an election official, on the Board of Selectmen and many town committees.

Rayna never says no to the individual or community needs. If she can't help, she will send you to someone who can! We are so very lucky to have her.

DONALD RIDLEY

Donald Ridley was a lifelong resident of Litchfield. He became a member of the Litchfield Farmers' Club in the 80's, prior to that he was an exhibitor with his cattle. After Don became a member he worked with Eldon Harvey as assistant supervisor on the scales, while also helping out in the pulling ring. He became member of the Board of Directors in 1995. He became superintendent of the Pulling Ring in 2007 and continued in these positions until he passed away in July of 2024.

Don was a member of the Litchfield Fire Department for almost 40 years, starting as a Junior Firefighter. He became Deputy Chief, a fire instructor training officer and an EMT during his time volunteering with the Litchfield Fire Department.

Donald was the father of 8 children and gave fatherly advice to a great many more. He had a strong involvement with his kids and many of them assisted him at the fair each year. He was a long time employee of Bath Iron Works.

We will miss Don, his sense of humor, his strong opinions and his support of the fair and pulling community. He was always cheering and encouraging Pullers of all ages throughout the years. He could always be counted on to remember the important facts during our meetings and we appreciated his drive and encouragement to make plans and preparations for the new club house. Even in times when he was not physically able to work he attended our work sessions guiding and encouraging us while we worked. Don's loss will be felt for many years to come.

Memorial of Past Members 2025

Our fair friends have come and gone. Their friends will hold dear the memories From this day on.....

Tom Clary was a member and became a Director of Litchfield Fair in 1971. He was the Fair Electrician and Jack of all Trades and Farmers' Club Treasurer from 1973-1980. Tom ran the Sealed Tickets Booth and was always laughing with or teasing someone. He was great fun during the Fair and the Sealed Ticket Booth will never be the same!! Our thoughts and prayers go out to all who knew and loved him, he passed away peacefully in May of this year.

Darryl Brown, Sr. of West Gardiner took over announcing the Antique Car Show in the Pulling Ring after Eldon Harvey passed away in 2014. He was very knowledgeable about the Antique cars and trucks. It was said that he knew old cars inside and out. His experience in the field of vintage and antique automobiles and his dedication to the car show every year was greatly appreciated.

Wheeler's Wee Farmers' Lil' Farmers' & Gardeners' Club

Wheeler's Wee Farmers' and the Litchfield Fair Exhibition Hall have partnered to involve Youth in Agriculture with the "Lil' Farmers' and Gardeners' Club". We are promoting youth in agriculture starting in 2025 with this pilot program in which we have provided garden grow kits for participants to plant seeds and grow vegetables at home this summer. We will be communicating with them in the next few months for feedback on how their gardens are doing. We have asked them to bring their produce from these kits, back to the fair in September to be on display in the Exhibition hall. There will be a special space designed for this event, and we hope it inspires their interest in agriculture. Litchfield Fair plans to open this program to a limited number of youth in our community to sign up and participate in the Youth in Agriculture/Lil Farmers' program in 2026. For more information check our website throughout the summer.

We draw the names out of a bucket, depending on how many bikes are being given away each drawing. At the designated time of each drawing (check your Fair schedules) the children are expected to be present in front of the Fair Office. **THIS IS A MUST!!!** We will choose another name if you are not present! If your name is picked you will be expected to know one of the answers to that day's agricultural question. When signing up you can ask for advice on where the answer could be found, but you will not be given the answer.

The lucky winners get the bike of their choice from a group of bikes on display at the North End of EXPO II. Also they are awarded a \$10.00 gift certificate to go towards the purchase of a helmet. **SAFETY FIRST!**

This year we will be giving away a total of 16 mountain bikes, sizes 24" and 26". Eight girls mountain bikes and eight boys mountain bikes.

The prize is valued upwards of \$150.00 which includes tax and the separate \$10.00 gift card toward the purchase of a helmet for the child.

We would like to send a BIG thank you to this years sponsors:

Sensory Garden

Photo credit: Shannon Lerch

Litchfield Fair has created a Sensory Garden to help our fairgoers experience a variety of different plants in a garden full of new sights, smells, sounds, tastes and even touch! It hopefully will be a place of rest and relaxation for all. Sensory Gardens are for everyone to enjoy a moment in nature. Our hope for our garden is that it will provide a space to allow a moment of emotional regulation and help reduce stress or anxiety and perhaps a break from the busy Fair. This garden will be a work in progress as we think of new ideas!

Many thanks to our Sponsors; Enterprise Farm, From the Ground Up, Earley Farm & Nursery, and Mid-Coast Growers.

Pulling

Supt. Lisa Trombley

Due to limited parking we will have a parking attendant to assist you. You must see the parking attendant to be parked in an approved area. Failure to do so will result in your vehicle being towed.

There are no entry fees. Numbers shall be placed in a container according to the position the team weighed-in or entered. A disinterested person at ringside shall draw all numbers to determine the positions the team shall draw. Before a team is allowed to pull the owner shall provide a certificate of liability insurance in the amount of \$1,000,000.00.

Any animal which is thin and dehydrated, shows open sores or is lame shall be disqualified. The Fair reserves the right to accept or reject any entry, to close or re-open any class, to set ahead or change the program if deemed necessary for the best interest of the Fair.

The ring will be maintained as well as possible by Fair personnel. A substantial barrier shall be maintained at the end of the ring toward which the pull is proceeding as to prevent or substantially impede runaways.

All teamsters who are to compete in contests shall have their teams ready at the published starting time. All classes shall close after the positions are drawn. Classes shall start as close as possible to the published time. No horse shall be entered or pulled twice in the same class. Splitting of teams is left up to the Superintendent. Teamsters may not be changed after the first load is pulled. All pulling horses will be required to have a picture of the head of the horse being pulled and its name attached to the COGGINS Test Paper.

Check weighing will be allowed prior to the official weigh-in. Official weigh-in will allow one weigh-in only by the same team. Team must have leather halters and shoes on. Even weight only. Nothing extra for shoes and halters. They will be weighed in the presence of a delegate appointed by the Fair or person who is conducting the contest. The scale shall be balanced with a man standing on same; this man will hold all animals where possible.

Time limits shall be five (5) minutes, unless otherwise agreed upon by the teamsters. The time limit to hook on in distance pulls shall be three (3) minutes. Time taken out to position the drag for the next pull shall not be counted. Time starts when the drag is moved. In the case of a tie on the longest distance, the second longest distances already pulled will take first place. Any number of helpers will be allowed to help hitch. After hitch, only one helper. The helper shall stay behind the drag unless needed to help the teamster with snarls and turns. On oxen, the helper must stay behind the drag at all times after hitch-on. The helper shall not have a stick. Even men must remain quiet after hitching on. There will be one hundred (100) pounds of

tolerance on draft steers and oxen on and after Labor Day Weekend.

Measuring shall be in a straight line to the nearest point on the drag. Line to line measuring will be allowed. The front of the drag must touch the line before turning. To get the full line measure, the drag must be turned out more than (1/2) half way, or completely out over the line. Team shall stay hooked to the drag at all times.

No unhitching and re-hitching is allowed. An actual separation, breaking, or bending of equipment shall constitute a breakdown. Any team breaking down can take the distance pulled or return to last position and pull over. (Only one (1) breakdown is allowed) One (1) inch shall constitute a hitch. On horses, the very light use of reins on hindquarters only, and no over and under will be allowed. No whips, brads, or goads will be allowed. Reins will not be doubled up. No electrical or electronic devices will be allowed. No open bridles will be allowed. On oxen, the use of a goad shall be very light. The goad will have no brad in it; only a plain yoke and chain or pole that may be pulled. All chains shall be covered to the hook. No plastic goads will be allowed. The goad stick must not be over four (4) feet long and must not exceed one half (1/2) inch in diameter on the small end. The goad stick may be taped but not weighted. The stick may be used lightly on the face to control oxen, but not around the eyes. No heading of horses or oxen will be allowed, unless there is a mix-up, snarl, or breakdown. Stepping over the rail counts as a hitch. Any team deliberately driven over the rail will be disqualified from the contest.

All participants will be properly dressed and use proper language at all times. Any participant under the influence of alcohol will be disqualified from the contest. Tests may be made to determine intoxication. Use of drugs or stimulants on any competing animal is prohibited. The Fair or Superintendent conducting the contest reserves the right to test any animal. The owner and teamster found to have used a drug on any competing animal shall be barred from pulling for two (2) years as required by Section 74, Subsection 4.

All rules and regulations of the State of Maine, and the Rules and Regulations on elimination contests of the Eastern Draft Horse Association shall govern all pulling events.

Litchfield Fair Farm and Home Museum with Working Smithy.

Supt. Rayna Leibowitz Asst. Dian White, Karen Reny

This museum, opened in 2006, offers an opportunity to step back in time. The old time kitchen, complete with working wood stove, hand pump and ice box reminds us of the heart of the home. Come to see the antique furnishings, hand tools and farm implements, discuss the old days and the old ways with us. Visit our dairy center and recognize the importance of agriculture then and now. There is a butter making demonstration twice daily at 1 pm and 4 pm. And you can watch the Blacksmith demonstrate the making of tools and accessories in our working Smithy throughout the duration of the Fair.

Come learn the MAGIC of making butter. We appreciate the donations of items from our friends and neighbors. In 2021 the Farm and Home Museum was proudly dedicated to Muriel Bonin for all her years of dedicated service.

Wheeler's Wee Farmers' Interactive Agricultural Learning Center for Children at Litchfield Fair

It is Litchfield Fair's constant objective to continue to support agriculture in our state, community and with our children. We plan to do this through our Wheeler's Wee Farmers' Interactive Learning Center by showing children of all ages the origin of our foods, some of the hard work that goes into farming as well as the great rewards that can be achieved with what we do as farmers. We would like to welcome all to participate with the gathering, sowing, and selling of the wares to be found in our Farmer's fields and barns. Also of course, enjoying the fruits of your labor at the end is important.

It is with appreciation and gratitude to The Alice Wheeler Memorial Fund of Lotta Rock Farm for making the Agricultural Learning Center possible.

She was a local dairy farmer and was a big supporter of our local fairs, Litchfield in particular. Alice enjoyed helping kids understand the importance and value of farming and promoting an agricultural way of life.

Litchfield Fair's Annual Apple Pie Contest

Judging Guidelines:

All pies must contain ONLY the fruit of the contest (i.e., APPLE). Pies made from a combination of fruits will be disqualified from judging (such pies will be disqualified at the State level). The recipes must be cooked as submitted. Judges will eliminate from consideration any pie which obviously is not done as the written recipe states (example: a pie which contains raisins, but no raisins are listed in the written recipe.)

1 st	2 nd	3 rd	4 th	5 th
\$30	\$25	\$20	\$15	\$10

The first, second and third place winners can go to the State of Maine Two Crusted Apple Contest at The Maine Harvest Festival, Cross Center in Bangor. (*Google: Maine Harvest Festival Apple Pie Contest*) Judging will be done in three basic categories. They are:

Appearance:

Judges will be looking for overall eye appeal, uniformity of shape, color, and appearance of the crust.

Taste:

The crust and filling are to be judged separately. In evaluating the crust, the judges will consider flavor, texture, and color. In evaluating the filling, the judges will consider flavor and consistency.

Preparation:

This is to be determined from the written or typed recipe that shall accompany each entry. The judges will consider ease of preparing the recipe and how clearly the recipe ingredients and instructions are written.

Scoring Guidelines:

The categories will be rated as follows:

Overall appearance 30 points

Crust (flavor, texture, color) 30 points

Filling (flavor, consistency) 30 points

Ease of preparation/clarity of recipe 10 points

All pies must be registered by 5:30 p.m. Friday.

Judging starts at 6 p.m. Friday.

All pies become property of Litchfield Fair and will either be sold to defray costs of the contest, or put on display.

Judges will total the points for each entry. The contest coordinator will compile the judges' scores on a summary sheet. The positions will be determined by the total number of points given by all the judges. In the event two or more contestants have identical point totals, the judges shall determine the order of finish by mutual agreement. All decisions shall be final.

All pie entries become property of Litchfield Fair and will be auctioned off at the Red Neck Truck Pull at the horse show ring after they are judged.
